

WHAT TO DO IF YOUR HOME HAS BEEN DAMAGED!

- Take photos and document all of the damage
- Do what you can to dry out your home and prevent further damage
 - Some cleaning supplies and equipment such as fans and dehumidifiers are available to borrow from the Rec Centre 1pm-5pm daily
- Do you need help with the clean-up? –Leave your name, address & phone number with the Village and we can send some volunteers your way: (867)695-2253
- Wait for an appraiser to come and assess the damage to your home (this will hopefully be very soon)
- The GNWT Disaster Assistance Policy will assist homeowners with repairs and replacement of damaged items. More information will be available once the appraisals are finished.

If your home is not fit to live in, contact the Village and we will arrange a hotel for you: (867)695-2253

May 18th 2021

Water and sewer services are now restored.

A boil water advisory is in effect.
