

Village of Fort Simpson

Dear Valued Customer,

To help offset the costs, council passed a motion to increase the sewer pump out rebates up to \$1000 for the 2022 year for residential properties only. Please stop by the Village office with a summary of account stating what you've paid for the pump outs in 2022, and you will be subsidized to a maximum of \$1000. It is preferred that you wait until you've reached the max amount or have us process at year end for you so as not to overwhelm the finance clerk.

If you are a tenant of Rowes mobile home park you can contact Rowes reality for a letter stating what your yearly pump out costs are.

Please don't hesitate to contact the Village Office with any questions or concerns.
