

Village of Fort Simpson

WATER-WASTEWATER OPERATOR TRAINEE

Water-Wastewater Operators are key positions within the Village of Fort Simpson. This position will have day-to-day responsibility for maintaining and operating the Water Treatment Plant, Water Distribution System, Wastewater Treatment Plant, Wastewater Collection System, and associated facilities of the municipality. The position will provide assistance to the Senior Operators and training will be comprised of in-situ, on-line and remote training. The Water-Wastewater Operator Trainee is responsible for production and delivery of safe, clean potable water, the efficient collection, processing of wastewater, and to provide adequate services to the community.

The Successful applicant will possess (but not limited to) the following qualifications:

- Valid Class 5 driver's license.
- A Minimum of grade 12 or equivalent; a combination of education and experience may be considered.
- Must be able to endure physical activity.
- Excellent verbal, analytical, organizational and written skills.
- Must be able to work in outdoor conditions (summer/winter).
- Must possess good mechanical skills.
- Must be able to work independently.
- Must possess good computer skills.
- Must be able to travel for training.

A copy of the full job description can be obtained at the Village of Fort Simpson office.

This is a permanent full-time unionized position. The training position will be paid as per the terms of the Collective Agreement at 70 % of Range 7 in year one, 80 % in year 2 and 90 % in year 3.

Applications will be accepted by fax, email, postal mail or at the Village Office. Please quote the position title and apply to
